

# Chapel Hills Preschool Financial Agreement

## 2023-2024 School Year

I understand that the registration fee is **non-refundable**. If I choose to withdraw my child from Chapel Hills Preschool, I will not receive a refund.

I understand that the annual tuition is divided into monthly payments. I also understand that the tuition is a calculated average for all the days my child attends for the entire school year. I understand that my child will attend more days in one month and less days in another month for the same fee.

I understand tuition payments are due the first of each month and are not affected by the number of class days per month or number of days my child attends. There are no make-up days for school closures or days missed. I also understand that tuition is not prorated if my child is ill, on vacation, or is not in attendance for any reason. I understand that my tuition payment holds my slot open for my child.

My child is enrolled in

**Preschool** MW MWF (circle days)

**Pre-K** MWF (circle days)

I will owe \$ \_\_\_\_\_ each month beginning September 1, 2023 through May 1, 2024. My registration fee is \$ \_\_\_\_\_.

If I am entering the program after the first day of school, I will pay a prorated amount per day for the remaining number of class days of the month entered. That amount is \$ \_\_\_\_\_. My registration fee is \$ \_\_\_\_\_.

I understand if I miss one month's payment, my child may be dropped and their slot given to another child. I also understand a late fee of \$20.00 will be assessed if my tuition is not paid by the 10<sup>th</sup> of the month. If I choose to withdraw my child from CHC Preschool I must give two weeks notice and will be responsible to pay the monthly tuition through that time period.
